AKRON STOMACH VICTIMS ARE RESTORED BY MAYR'S REMEDY

**A. M. George Gets Rid of Malady
After Several Years of
Suffering.**

A. M. George, who has offices at 304 Walsh Building, Akron, was for many years a sufferer from stomach ailments. He tried a good many treatments and took many medicines. At last he found Mayr's Wonderful Stomach Remedy. The relief he sought came swiftly. He wrote: "It is wonderful what results I received. I haven't had a symptom of the old trouble that I suffered for several years. Mr. Felver, my neighbor, who sent for some, claims that he is a different man altogether, and his wife, who has been in poor health for several years, thinks it is doing her good."

Just such letters come from all over the country. Mayr's Wonderful

Stomach Remedy convinces with the first dose—no long treatment. Mr. George's experience is typical.

Mayr's Wonderful Stomach Remedy clears the digestive tract of mucoid accretions and poisonous matter. It gives quick relief from stomach, liver and bowel troubles. Many say it has saved them from dangerous operations and many are sure it has saved their lives.

Because of the remarkable success of this remedy there are many imitators, so be cautious. Be sure it's MAYR'S. Go to W. J. Wall's drug store and ask about the wonderful results it has accomplished—or send to Geo. H. Mayr, Mfg. Chemist, 154-156 Whiting St., Chicago, Ill., for free book on stomach ailments and many grateful letters from people who have been restored. Any druggist can tell you its wonderful effects.

VALLEY CITY

Willie, the four year old son of Mr. and Mrs. Wm. Neff, was taken to the German hospital in Cleveland and operated upon for appendicitis.

John Grabenstetter went to the Forest City fair in his new Overland.

Mr. Theodore Gunkelman was taken to the hospital at Marion.

The road contractors have taken their tools etc., and gone to Beebe town to work and we suppose have said "finis" to our roads. It is not our object to kick, but as every one is entitled to an opinion, and as this is a country of free speech, we will say that parts of our roads have been built the best that could be done under existing circumstances, and other parts need and should have been put into much better condition before leaving this part. We certainly do need and want more stone road improvement, but looking over some parts of the road said to be completed would not have a tendency to put in the same kind of road as this one. Why not have a trial at the tar-bound road? The road to the depot from the center is in deplorable condition and should by all means be repaired. Why not ask our trustees to hold another election and spend enough money to improve the depot road, and as many more as we think we can stand the tax upon. The road to Foecking's Corner has always been a road that is practically impassible after every rain and why not tax enough to build to the corner, if not thru to meet Columbia? Let every one be a booster for the better roads of Liverpool township, not alone the ones in front of his home. Be liberal; be a booster.

Mr. C. A. Carr of Cleveland visited friends here Saturday and Sunday.

Wm. Grabenstetter and family have gone for an auto trip to Sidney, expecting to stay there about two weeks.

Mrs. Wm. Hoppe has accepted the position of postmistress.

Mr. Alois Grabenstetter spent Monday in Cleveland on a business trip.

The base ball game played here by the supposed-to-be Brunswick team was wholly a success for them, but we had to let them have one game, or else they might not play with us again.

Mrs. Ress and Mrs. Jergine of Canal Dover and Mrs. V. Themese and children of Youngstown are spending the week with Mr. and Mrs. Chas. Derck.

Mr. A. L. Trout, who has been employed here, has returned to his home in Kenton, O.

Mr. Hoeffler of Ashland was the guest of Mr. and Mrs. J. A. Sailor last Wednesday.

Many of our local citizens attended the Randall fair. All report it fine.

Mr. Babb of Detroit was the guest at Emil Platz's Sunday.

The young are anxiously awaiting for "Labor Day" as the schools will

open then with a very efficient corps of instructors. Much praise must be given the board for the interest they have taken in securing good and progressive tutors, as we think our schools are the best in the county. Many people here recall without much mental effort, the time when only readin', writin' and 'rithmetic were the essentials in education. But today methods have changed for better and let us hope they will still change, and also for the near centralization of the Liverpool township schools. Be a booster.

Mr. Edward Bayer of Akron is spending his vacation here with his parents, Mr. and Mrs. Henry Bayer.

Mr. John Obermiller and son Edwin spent Tuesday in Cleveland.

Miss Schaefer of Cleveland was the guest of Mrs. Metzger for the past week.

Mrs. George Hasel spent the last week in Cleveland.

Mr. and Mrs. Henry Kingzeth of Hudson, O., were the guests of the former's sister, Mrs. E. D. Bennett, on Sunday.

Miss Bertha Stoskopf and Mr. George Hammon were quietly married at the home of the bride on Aug. 27. They will take their honeymoon trip to Niagara Falls.

RICHFIELD

The Richfield reunion, which was held the 20th of Aug. was a success in every way. Everybody came and had a good time. Some beautiful prizes were given at the different contests. One accident occurred—Mrs. Stillwell of Cleveland fell from a motorcycle and broke her collar bone. Mrs. Herbert Mackey and her daughter Jennie were going along the highway with a spirited horse, when they met a traction engine and thresher. The horse got scared, tipped the buggy over on top of the ladies and it was found that Miss Jennie was badly bruised about the head and face.

Mr. and Mrs. Dana Hart motored to Berea last Friday and called on friends, Mr. and Mrs. Edwin Poole.

It is reported that L. E. Humphrey is quite sick.

Dr. Elwyn Damon, who went to Cleveland for an operation, died after the operation at Huron Road hospital. The body was brought to Richfield to his brothers, C. N. Damon. The burial will take place on Hinckley Ridge Tuesday.

The Damon reunion has been postponed indefinitely on account of Dr. Damon's death.

Mrs. Dr. Coyait and family have been the guest of her parents, Mr. and Mrs. Truman Humphrey, the past week.

Mr. and Mrs. Roy Hancock are guests of Mr. and Mrs. Eugene Hancock this week.

SEVILLE

The friends of Mr. Lute Parmenter will be sorry to learn of his death at his home at Broken Bow, Nebraska, Monday evening, August 18. His wife and son-in-law, Chalmers England, accompanied his body back to Seville, where funeral services were held in his old home church, Baptist, Saturday afternoon, August 22, with burial in Mount Hill cemetery. Many friends were in attendance. Mr. and Mrs. John Phelps; Mr. and Mrs. Charles Gerred of Ashtabula Harbor; Mr. Jerome Coulter and sons Herman and John of Akron; Mr. and Mrs. Will Krout and son of East Palestine; Mrs. McIntire, besides a number from Creston.

Mr. Maxwell Taylor arrived in our town Monday morning from his home in Joplin, Mo. This means that he has not only come to visit father and mother,

but that soon he will return, taking his wife and son Jr. with him, who have been here spending the summer. One sometimes wonders why there is always some "bitter with the sweet," and then we hear the refrain it makes the "bitter sweeter." So we make our obeisance and accept the inevitable and rejoice with the grandparents that there is a home-coming.

Mr. and Mrs. Charles Taylor went to Cleveland early Sunday morning and are spending a few days out at that great city. Their cousin, Miss Lounetta Taylor, is looking after their household interests during their absence.

Miss Theresa Frazier has been in the Forest City for a few days' visiting relatives.

The query in some of our minds is, Why don't some one build a house or two, "To let." The town is full of inquiries for places to rent. Can't somebody get busy and settle this important demand, and help to boost our town?
